## ACKNOWLEDGEMENTS

The Committee wishes to thank the many organisations and volunteers who have contributed to the Village Show over recent years

The Ilketshall St Margaret Village Show is now in its 76th year. If the heatwave of last year is anything to go by, then by the time of the 100th Show we can expect competitors to be exhibiting pineapples and kumquats; but for now, all of the familiar favourite categories remain.

Last year's Show represented a welcome return to the full event after the restrictions of the previous few years and was a resounding success, raising well over £1400 for the village hall on a glorious summer's day.

As this programme shows, there is much to look forward to this year. The hotly contested Spud in a Bucket competition attracted a record number of entries last year. However, records exist to be broken, and fingers crossed for even more entries this year.

For more than a quarter of a century, Alastair Tomkin has served as President of the Show. In that time, and thanks to his hard work as well as that of very many others, the Show has raised many thousands of pounds for the village hall funds. Just as importantly, it has brought a great deal of fun and joy to the village. Alastair has now stepped down as President, although there is a suspicion that this is mainly to enable him to spend more time on perfecting his entries for the Show. The village owes him a great debt of gratitude for all of his work over the years. I have recently moved to the village with my wife Sarah and our two boys, Milo and Teddy, and am only too happy to take over the baton from Alastair. His are big shoes to fill.

**Alec McCluskey, President 2023**

### 38. Farmhouse Fruit Cake using the following recipe:

#### Ingredients

225gms (8oz) self raising flour  
125gms (5oz) butter or margarine  
125gms (5oz) soft brown sugar  
2 eggs  
350gms (12oz) mixed fruit  
1 tbs black treacle  
1 tsp mixed spice / 3 tbs milk.

**Method** Grease a 18cm (7") round cake tin and line with greaseproof paper. Preheat the oven to 180°C/350°F/gas 4. Put the butter, sugar, dried fruits and spices in the bowl, and beat until combined slightly. Add the eggs and milk and beat for a few seconds, gradually add the flour and continue beating until well mixed. Pour into the cake tin and bake for about 1½ hours. Cool in the tin for 15 minutes then turn on to a wire rack.

### 39. Courgette & Orange Cake with cream cheese frosting (Men only class) using the following recipe:

[www.bbcgoodfood.com/recipes/courgette-orange-cake-cream-cheese-frosting](http://www.bbcgoodfood.com/recipes/courgette-orange-cake-cream-cheese-frosting)  
Prep:10 mins / Cook:50 mins

#### Ingredients

##### For the cake

350g (12oz) courgettes  
(no need to peel them)  
200g (7oz) soft brown sugar  
125ml (4fl oz) sunflower oil  
3 large eggs, lightly beaten  
grated zest 1 orange  
1 tsp vanilla extract  
100g (4oz) sultanas  
300g (11oz) self raising flour  
1 tsp baking powder

##### For the frosting

200g (7oz) full-fat cream cheese  
100g (4oz) icing sugar, sifted  
good grating of orange zest

**Method** STEP 1 Heat oven to 180C/160C fan/gas 4. Lightly oil and line a 1kg loaf tin with a strip of baking parchment. Finely grate the courgettes, then squeeze out as much liquid as you can with your hands (too much will make the cake soggy).

STEP 2 Stir the courgettes with the sugar, sunflower oil, eggs, orange zest, vanilla and sultanas, then fold in the flour and baking powder until they disappear, but don't overmix.

STEP 3 Scrape the mixture into the tin and bake for 50 mins until a skewer inserted into the cake comes out clean. Remove from the tin and cool on a wire rack.

STEP 4 Meanwhile, beat the cream cheese with the icing sugar (don't overbeat as this can make the mixture too soft), then chill. Spread over the cooled cake, scatter with the zest and chill until ready to serve. Will keep for a week in the fridge.

# St Peter's BREWERY

Nestled in the picturesque Suffolk countryside, St. Peter's Brewery, founded in 1996, is one of England's original craft breweries. Situated alongside the beautiful, medieval St. Peter's Hall & restaurant, St. Peter's Brewery is housed in charming, former traditional agricultural buildings.

This location is ideal for the excellent water quality used in the brewing process from our very own well; alongside the unique balance of East Anglian malt, carefully selected hops and the time honoured skill of our master brewer create a range of truly distinct classic English beers showcased in our iconic 500ml oval bottle.

Our site just south of the idyllic market town of Bungay, is home to Trio's at St. Peter's Hall restaurant & venue, our brewery shop and brewery tours which run on Saturdays (Easter - December).
